

User Agreement

1. Introduction

This User Agreement, the [Mobile Application Terms of Use](#), and all policies and additional terms posted on and in our sites, applications, tools, and services (collectively "Services") set out the terms on which eBay offers you access to and use of our Services. You can find an overview of our policies [here](#). The Mobile Application Terms of Use, all policies, and additional terms posted on and in our Services are incorporated into this User Agreement. You agree to comply with all terms of this User Agreement when accessing or using our Services.

The entity you are contracting with is: eBay Inc., 2025 Hamilton Ave., San Jose, CA 95125, if you reside in the United States; eBay (UK) Limited, 1 More London Place, London, SE1 2AF, United Kingdom, if you reside in the United Kingdom; eBay GmbH, Albert-Einstein-Ring 2-6, 14532 Kleinmachnow, Germany, if you reside in the European Union; eBay Canada Limited, 240 Richmond Street West, 2nd Floor Suite 02-100, Toronto, ON, M5V 1V6, Canada, if you reside in Canada; eBay Singapore Services Private Limited, 1 Raffles Quay, #18- 00, Singapore 048583, if you reside in India; and eBay Marketplaces GmbH, Helvetiastrasse 15/17, CH-3005, Bern, Switzerland, if you reside in any other country. In this User Agreement, these entities are individually and collectively referred to as "eBay," "we," or "us."

If you reside in India and you register for our Services, you further agree to the [eBay.in User Agreement](#).

Read this User Agreement carefully as it contains provisions that govern how claims you and we have against each other are resolved (see "Disclaimer of Warranties; Limitation of Liability" and "Legal Disputes" provisions below). It also contains an Agreement to Arbitrate which will, with limited exception, require you to submit claims you have against us or related third parties to binding and final arbitration, unless you opt out of the Agreement to Arbitrate in accordance with section 19.B.9 (see [Legal Disputes, Section B](#) ("Agreement to Arbitrate")). If you do not opt out: (1) you will only be permitted to pursue claims against us or related third parties on an individual basis, not as a plaintiff or class member in any class or representative action or proceeding; (2) you will only be permitted to seek relief (including monetary, injunctive, and declaratory relief) on an individual

basis; and (3) you are waiving your right to pursue disputes or claims and seek relief in a court of law and to have a jury trial.

2. About eBay

eBay is a marketplace that allows users to offer, sell, and buy goods and services in various geographic locations using a variety of pricing formats. eBay is not a party to contracts for sale between third-party sellers and buyers, nor is eBay a traditional auctioneer.

Any guidance eBay provides as part of our Services, such as pricing, shipping, listing, and sourcing is solely informational and you may decide to follow it or not. We may use artificial intelligence or AI-powered tools and products to provide and improve our Services, to offer you a customized and personalized experience, to provide you with enhanced customer service, and to support fraud detection; availability and accuracy of these tools are not guaranteed. We may help facilitate the resolution of disputes between buyers and sellers through various programs. Unless otherwise expressly provided, eBay has no control over and does not guarantee: the existence, quality, safety, or legality of items advertised; the truth or accuracy of users' content or listings; the ability of sellers to sell items; the ability of buyers to pay for items; or that a buyer or seller will actually complete a transaction or return an item.

3. Using eBay

In connection with using or accessing our Services you agree to comply with this User Agreement, our policies, our terms, and all applicable laws, rules, and regulations, and you will not:

- breach or circumvent any laws, regulations, third-party rights or our systems, Services, policies, or determinations of your account status;

- manipulate the price of any item or interfere with any other user's listings;
- fail to complete delivery, clear ownership, and/or complete any other documentation associated with the sale or purchase of any vehicle;
- take any action that may undermine the feedback or ratings systems (our [Feedback policies](#));
- transfer your eBay account (including feedback) and user ID to another party without our consent;
- share your log in credentials with any third parties. If you require that authorized third parties (employees, agents, etc.) have access to your account we offer a [Multi-User Account Access](#) program for that purpose;
- create listings or provide us with content in inappropriate categories or areas of our sites;
- engage in gambling;
- provide us with content that is false, inaccurate, misleading, deceptive, defamatory, libelous, illegal, inappropriate, harmful, or violates and/or infringes the rights of others;

- export or re-export any eBay application or tool, except in compliance with the export control laws, and rules and policies of any relevant jurisdictions;

- infringe the copyright, trademark, patent, publicity, moral, database, and/or other intellectual property rights (collectively, "Intellectual Property Rights") that belong to or are licensed to eBay. Some, but not all, actions that may constitute infringement are reproducing, performing, displaying, distributing, copying, reverse engineering, decompiling, disassembling, or preparing derivative works from content that belongs to eBay or someone else;
- infringe any Intellectual Property Rights that belong to third parties affected by your use of our Services or post content that does not belong to you;
- commercialize any eBay application or any information, data, or software associated with such application, except with the prior express permission of eBay; or

Sellers must meet eBay's [minimum performance standards](#). Failure to meet these standards may result in eBay charging sellers additional fees, and/or limiting, restricting, suspending, or downgrading your seller account.

If we believe you are violating this User Agreement or any of our policies, or abusing eBay and/or our Services in any way, we may, in our sole discretion and without limiting other remedies, limit, suspend, or terminate your user account(s) and access to our Services, delay or remove hosted content, remove any special status associated with your account(s), remove, not display, and/or demote listings, reduce or eliminate any discounts, and take technical and/or legal steps to prevent you from using our Services. We may offer a process allowing users to report claimed violations for us to consider and handle through one or more of these options, all in our sole discretion.

If we believe you are violating our policies prohibiting [Offers to buy or sell outside of eBay](#), you may be subject to a range of actions, including limits on your buying and selling privileges, restrictions on listings and account features, suspension of your account, application of fees, and recovery of expenses for policy monitoring and enforcement. Also, as provided below in the Fees and Taxes section, if we believe you are violating our policy on [buying or selling outside of eBay](#), you may be charged final value fees.

We may cancel unconfirmed accounts or accounts that have been inactive for a substantial period of time. Additionally, we reserve the right to refuse, modify, or terminate all or part of our Services to anyone for any reason at our discretion.

4. Vehicle Purchases & Sales

As it relates to vehicle listings, eBay Secure Checkout is powered by and made possible by the services of Caramel Dealer Services, LLC. As such, when you use eBay Secure Checkout to purchase or sell a vehicle listed on eBay sites, you are contracting with Caramel Dealer Services, LLC d/b/a CDS Auto Sales ("Caramel"). Caramel is an eBay affiliate that holds state licenses as a used vehicle dealer in Arizona, California, Florida, and Texas. Caramel's [Terms of Use](#), [Privacy Policy](#), and additional policies and terms posted on and in its sites, applications, tools, and services set forth the terms under which you may access and use Caramel Services. For additional information, you should review the [Frequently Asked Questions](#) page for eBay Secure Checkout.

eBay is not a vehicle broker, vehicle dealer, or an agent acting on behalf of vehicle brokers, dealers, buyers or sellers. eBay does not maintain an inventory of vehicles for sale and does not sell, exchange, buy, offer for sale, negotiate or attempt to negotiate sales or exchanges of an interest in any vehicle listed on eBay sites. eBay has never: (1) held title for any vehicle listed on eBay sites; (2) inspected any vehicle listed on eBay sites; (3) set or negotiated prices for any vehicle listed on eBay sites; (4) had any vehicle listed on eBay sites in its possession; (5) shipped, distributed, or delivered any vehicle listed on eBay sites; or (6) sold a vehicle listed on eBay sites by consignment.

IN ADDITION TO, AND WITHOUT LIMITING THE GENERALITY OF THE DISCLAIMERS OF WARRANTIES DETAILED IN SECTION 16, YOU AGREE THAT: (A) EBAY DOES NOT WARRANT AGAINST DEFECTS IN ANY VEHICLE, AND DOES NOT MAKE ANY WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING REPRESENTATIONS, PROMISES, OR STATEMENTS AS TO THE VEHICLE'S VALUE, CONDITION, SAFETY, CAPABILITY, FITNESS, OR MERCHANTABILITY, (B) NO INFORMATION OBTAINED ON EBAY SITES WILL CREATE ANY WARRANTY, EXPRESS OR IMPLIED, (C) YOU HAVE NOT AND WILL NOT RELY UPON ANY REPRESENTATION AS TO THE VEHICLE'S VALUE, CONDITION, SAFETY, CAPABILITY, FITNESS, OR MERCHANTABILITY, AS COMING FROM EBAY, AND (D) EBAY MAKES NO WARRANTY CONCERNING ANY VEHICLE'S TITLE. EBAY DISCLAIMS ALL VEHICLE-RELATED REPRESENTATIONS, GUARANTEES, AND WARRANTIES TO THE FULLEST EXTENT PERMISSIBLE BY LAW.

You agree that any reliance on vehicle information on eBay sites is at your own risk. Any discrepancies or mistakes made regarding vehicle availability, quality, safety, condition, pricing, financing, insurance and the like are not the fault or responsibility of eBay. Neither the accuracy of vehicle information provided on eBay.com, nor the availability, quality, or safety of vehicles is guaranteed by eBay. Furthermore, neither the financing of or insurance relevant to vehicles is controlled or guaranteed by eBay.

The purchase of a vehicle encompasses multiple disciplines and eBay is not an expert on matters such as vehicle market valuation, laws relating to vehicles, taxes relating to vehicles, vehicle financing, vehicle registration, vehicle insurance, vehicle condition safety, and inspections, or vehicle mechanical fitness and engineering, eBay hereby cautions you, and you understand and acknowledge, that you should seek professional expert assistance and advice in these and other areas of professional expertise as appropriate.

5. Policy Enforcement

When a buyer or seller issue arises, we may consider the user's performance history and the specific circumstances in applying our policies. We may choose to be more lenient with policy enforcement in an effort to do the right thing for both buyers and sellers. The foregoing does not limit or impair our right to refuse, modify, or terminate all or part of our Services to anyone, or to terminate this agreement with anyone, for any reason at our discretion.

6. Fees and Taxes

We charge sellers for the use of our Services. In some cases, where buyers receive supplemental Services such as authentication or storage Services for items in certain categories, we may also charge those buyers for such supplemental Services.

The fees we charge sellers for using our Services to sell goods and services are listed on our [Selling fees](#) pages. We may change our selling fees from time to time by posting the changes on the eBay site fourteen (14) days in advance, but with no advance notice required for temporary promotions or any changes that result in the reduction of fees.

If you are a seller, you are liable for fees arising out of all sales made using some or all of our Services, even if sales terms are finalized or payment is made outside of eBay. In particular, if you offer or reference your contact information or ask a buyer for their contact information in the context of [buying or selling outside of eBay](#), you may be liable

to pay a [final value fee](#) applicable to that item, even if the item doesn't sell, given your usage of our Services for the introduction to a buyer.

You as a seller must have a payment method on file when using our selling Services and pay all fees and applicable taxes associated with your use of our Services by the payment due date. If your payment method fails or your account is past due, we may place restrictions on your account, or the eBay Payments Entities (as defined below) may collect amounts owed in the manner described in the [Payments Terms of Use](#), and [late fees will apply](#). eBay, or the collection agencies we retain, may also report information about your account to credit bureaus, and as a result, late payments, missed payments, or other defaults on your account may be reflected in your credit report. If you wish to dispute the information eBay reported to a credit bureau (i.e., Experian, Equifax, or TransUnion) please contact us at eBay Inc., c/o Global Collections, 7700 West Parmer Lane, Building D, Austin, TX 78729. If you wish to dispute the information a collection agency reported to a credit bureau regarding your eBay account, you must contact the collection agency directly.

7. Listing Conditions

When listing an item for sale on our Services, you agree to comply with eBay's [Listing policies](#) and [Selling practices policy](#) and also agree that:

- You assume full responsibility for the item offered and the accuracy and content of the listing, including listing content created using tools offered by eBay or third parties such as translation, image editing, and generative artificial intelligence tools;
- Your listing may not be immediately searchable by keyword or category for several hours (or up to 24 hours in some circumstances). eBay can't guarantee exact listing duration;
- Your fixed-price listings may renew automatically every calendar month, based on the listing terms at the time, until all quantities sell or the listing is ended by you or eBay, in its sole discretion;
- The content you provide complies with all of our listing policies, including the [Images, videos and text policy](#);
- Content that violates any of eBay's policies may be modified, obfuscated, or deleted at eBay's sole discretion;

- We may revise listings to supplement, remove, or correct information;
- We strive to create a marketplace where buyers find what they are looking for. Therefore, the appearance or placement of listings in search and browse results will depend on a variety of factors, including, but not limited to:
 - buyer's location, search query, browsing site, and history;
 - item's location, listing format, price and shipping cost, terms of service, end time, history, and relevance to the user query;
 - seller's history, including listing practices, [Detailed Seller Ratings](#), eBay policy compliance, feedback, and defect rate; and
 - number of listings matching the buyer's query.
- To drive a positive user experience, a listing may not appear in some search and browse results regardless of the sort order chosen by the buyer;
- Some advanced listing upgrades will only be visible on some of our Services;
- eBay's [Duplicate listings policy](#) may also affect whether your listing appears in search results;
- Metatags and URL links that are included in a listing may be removed or altered;
- We may provide you with optional information to consider when creating your listings. Such information may be based on the aggregated sales and performance history of similar sold and/or current listings; results may vary for individual listings;
- You agree that we may display the sales and performance history of your individual listings (and their associated campaigns) to others;
- For items listed in certain categories, subject to certain programs, and/or offered or sold at certain price points, eBay may require the use of certain payment methods, subject to our [Payments methods policy](#). For example, for inventory covered by authentication or storage services, buyer and sellers may be subject to escrow and/or payment handling requirements;
- You will not sell and will promptly remove all listings for any product recalled by a manufacturer or governmental agency if the sale of the product is prohibited by law or regulation or if the product poses a health or safety

- hazard as specified by any governmental agency. eBay has no responsibility or liability for the safety or performance of any product that you list or sell using our Services, including any product that is subject to a recall. You are solely responsible for any non-conformity or defect in, or compliance with any public or private recall of, any product you list or sell using our Services;
- eBay may publish and promote your listings, including related content such as username, product reviews and feedback, in any format and through any channel, including across any eBay Services, our partners, or third-party property or advertising medium; and
 - Selling fees do not purchase exclusive rights to item exposure on our Services. We may display third-party advertisements (including links and references thereto) or other content in any part of our Services, including listings, in our sole discretion and without consent from, or payment, fee reduction, or other credit to, sellers.

8. Purchase Conditions

When buying an item using our Services, you agree to the [Rules and policies for buyers](#) and that:

- You are responsible for reading the full item listing before making a bid or offer, buying, or committing to buy;
- You enter into a legally binding contract to purchase an item when you buy the item, commit to buy the item, your offer for the item is accepted, you have the winning bid for the item, or your bid for the item is otherwise accepted, regardless of when payment is due or received unless the transaction terms state that you are required to pay for the item before a binding contract is formed;
- For motor vehicles and real estate, a bid or offer initiates a non-binding transaction representing a buyer's serious expression of interest in buying the seller's item and does not create a formal contract between the buyer and the seller;

- We do not transfer legal ownership of items from the seller to you;
- Utah Code Annotated § 70A-2-401(2) and Uniform Commercial Code § 2-401(2) apply to the transfer of ownership between the buyer and the seller, unless the buyer and the seller agree otherwise.

9. International Buying and Selling; Translation

Given the nature of eBay's global marketplace, listings may be viewed and purchased by, and shipped to, buyers around the world. Many of our Services are accessible internationally. We offer certain programs, tools, and experiences of particular interest to international sellers and buyers, such as estimated local currency conversion and international shipping calculation tools. If, as a seller, you do not want your item to be sold to buyers internationally, you can exclude countries or regions you don't want to ship to by adjusting your shipping settings as provided in the [International selling policy](#). Sellers and buyers are responsible for complying with all laws and regulations applicable to the international sale, purchase, and shipment of items.

If you purchase an item on an eBay site that is different from your registration site, you are subject to the User Agreement and applicable policies of that other eBay site with respect to that particular purchase, as detailed in the [International selling policy](#).

For sellers, you agree that we may display your listing for sale on an eBay site other than the site where you listed your item for sale, based on your shipping settings. You may adjust these settings as detailed in the [International selling policy](#). If you list your items with an international shipping option, the appearance of your listings on sites other than the listing site is not guaranteed. If you sell an item on an eBay site that is different from your registration or listing site, you are subject to the User Agreement and applicable policies, including any buyer protection programs, of that other eBay site with respect to that particular sale, as detailed in the [International selling policy](#).

You authorize us to use automated tools to translate your eBay content, including member-to-member communications, in whole or in part, into local languages where such translation solutions are available. We may provide you with tools which will enable you to translate content at your request. The accuracy and availability of any translation are not guaranteed.

One of the ways we make eBay.com listings available to international buyers is through the eBay International Shipping Program ("EIS"). EIS enables buyers to obtain parcel

processing, international shipping, and customs clearance services. It is facilitated by eBay through third-party service providers that eBay has contracted with to operationalize the program. By listing your item on eBay.com you agree to the [EIS Terms and Conditions](#). If you choose not to participate in EIS, you can opt out of the program by updating your [shipping preferences](#).

10. Content

When you provide content using our Services (directly or indirectly), you grant us a non-exclusive, worldwide, perpetual, irrevocable, royalty-free, sublicensable (through multiple tiers) right to exercise any and all Intellectual Property Rights you have in that content in connection with our provision, expansion, and promotion of our Services, including development of new offerings as part of our Services, in any media known now or developed in the future. To the fullest extent permitted under applicable law, you waive your right to enforce your Intellectual Property Rights, including any moral rights, in that content against eBay, our assignees, our sublicensees, and their assignees in connection with our, those assignees', and those sublicensees' use of that content in connection with our provision, expansion, and promotion of our Services.

You represent and warrant that, for all such content you provide, you own or otherwise control all necessary rights to do so and to meet your obligations under this User Agreement. You represent and warrant that such content is accurate, appropriate, and legal. You represent and warrant that use of any such content (including derivative works) by us, our users, or others in contract with us, and in compliance with this User Agreement, does not and will not infringe any Intellectual Property Rights of any third party. eBay takes no responsibility and assumes no liability for any content provided by you or any third party.

We offer product data (including images, descriptions and specifications) that are provided by third parties (including eBay users). You may use that content solely in your eBay listings. eBay may modify or revoke such permission at any time in our sole discretion. The product data includes copyrighted, trademarked, and other proprietary materials. You agree not to remove any copyright, proprietary, or identification markings in the product data and not to create any derivative works based on that data (other than by including the data in your listings).

We try to offer reliable product data, but we cannot promise that the content provided through our Services will always be available, accurate, complete, and up-to-date. You agree that eBay is not responsible for examining or warranting the listings or content

provided by third parties through our Services, and that you will not attempt to hold us or our data providers liable for inaccuracies.

The name "eBay" and other eBay marks, logos, designs, and phrases that we use in connection with our Services are trademarks, service marks, or trade dress of eBay in the U.S. and other countries. They may not be used without the express written prior permission of eBay.

11. Notice for Claims of Intellectual Property Violations and Copyright Infringement Pursuant to Section 512(c) of Title 17 of the United States Code

We respond to notices of alleged copyright infringement under the United States Digital Millennium Copyright Act. eBay's Verified Rights Owner (VeRO) program works to ensure that items and content using our Services do not infringe upon the copyright, trademark, or certain other intellectual property rights of third parties. If you believe that your intellectual property rights have been infringed, please notify our VeRO team and we will investigate. [Learn how to submit a notice to eBay.](#)

12. Holds and Restricted Funds

To protect eBay from risk of liability for your actions as a seller, eBay Payments Entities (as defined below) may restrict access to your funds as described in the [Payments Terms of Use](#).

13. Authorization to Contact You; Recording Calls; Analyzing Message Content

eBay may contact you using autodialed or prerecorded calls and text messages, at any telephone number that you have provided us, to: (i) notify you regarding your account; (ii) troubleshoot problems with your account; (iii) resolve a dispute; (iv) collect a debt; (v) poll your opinions through surveys or questionnaires; or (vi) as otherwise necessary to service your account or enforce this User Agreement, our policies, applicable law, or any other agreement we may have with you. eBay may also contact you using autodialed or prerecorded calls and text messages for marketing purposes (e.g., offers and promotions), if you consent to such communications. Our collection, use, disclosure, retention, and protection of your personal information is governed by our [User Privacy Notice](#). As described in our [User Privacy Notice](#), eBay may collect other

telephone numbers for you and may place manual non-marketing calls to any of those numbers and autodialed non-marketing calls to any landline. Standard telephone minute and text charges may apply and may include overage fees if you have exceeded your plan limits. You may change your marketing communications preference for calls at any time, including through the [Communication Preferences](#) section of your [My eBay](#). You may also opt out of a specific text marketing campaign by replying "STOP" to such marketing text message.

eBay may share your telephone number with its authorized service providers as stated in our [User Privacy Notice](#). These service providers may contact you using autodialed or prerecorded calls and text messages, only as authorized by eBay to carry out the purposes identified above.

eBay may, without further notice or warning and in its discretion, monitor or record telephone conversations you or anyone acting on your behalf has with eBay or its agents for quality control and training purposes, or for its own protection.

eBay's automated systems scan and analyze the contents of every message sent through its messaging platforms (including but not limited to chat and email channels), including messages between users, to: (i) detect and prevent fraudulent activity or violations of eBay's User Agreement, including the incorporated terms, notices, rules, and policies and (ii) provide and improve our Services. This may result in a manual review of messages sent through our messaging tools. This scanning and analysis may occur before, during, or after the message is sent, or while in storage, and may result in your message being delayed or withheld. eBay may store message contents, including to conduct this scanning and analysis.

Privacy of Others; Marketing

If eBay provides you with information about another user, you agree you will use the information only for the purposes that it is provided to you. You may not disclose or distribute a user's information to a third party for purposes unrelated to our Services. Additionally, you may only send marketing communications to users who have consented to receive them in accordance with applicable laws, and only using eBay Services.

14. Additional Terms

Returns and cancellations for sellers

Sellers can create rules to automate replacements, returns, and refunds under certain circumstances. For all new sellers, in listings where returns are accepted, eBay will set a default rule that automates the return process. Sellers may remove or customize their return preferences in their account settings within My eBay. Where settings have been set to automatically accept requests for returns or replacements, an eBay-generated return shipping label will be provided to your buyer. You agree to comply with our [returns policy](#).

When an item is returned or if a transaction is canceled after payment has been completed, eBay may issue a refund to the buyer on the seller's behalf and charge the seller for the amount of the refund.

Additionally, eBay may charge sellers for the cost of return shipping labels and/or other reasonable fees from sellers when:

- An eBay-generated return shipping label is used, and the seller is responsible for its cost;
- Returns have been automated;
- The seller fails to send the buyer a return shipping label and, instead, an eBay-generated shipping label is used; and/or
- The item is not as described in the listing and is returned in accordance with eBay Money Back Guarantee or other applicable terms.

eBay or eBay Payment Entities may invoice sellers for these charges and collect such charges as described in the [Payments Terms of Use](#).

All seller cancellations of orders must be in accordance with our [Order cancellation policy](#).

Returns and cancellations for buyers

Buyers generally do not have the right to cancel an order. Buyers can request to cancel an order on eBay within the time period and as provided in our [Order cancellation policy](#), and the seller will have 3 days to accept or decline the request. If the order cannot be canceled, buyers may still be permitted to return the item if the item is [eligible for return](#).

In certain instances, a buyer may be responsible for the cost of return shipping for an item returned to a seller. If the buyer is responsible for the return shipping costs, the buyer may elect to use an eBay-generated shipping label or purchase a shipping label directly from a carrier. By choosing to use an eBay-generated shipping label, you (as a buyer) agree that eBay may deduct the cost of the shipping label from the refund owed to you.

eBay Money Back Guarantee

Most eBay sales go smoothly, but if there's a problem with a purchase covered by [eBay Money Back Guarantee](#), buyers can get their money back if an item didn't arrive, is faulty or damaged, or doesn't match the listing. You agree to comply with the policy and permit us to make a final decision on any eBay Money Back Guarantee case.

If you (as seller) choose to reimburse a buyer, or are required to reimburse a buyer or eBay under the eBay Money Back Guarantee, eBay or eBay Payments Entities may invoice you in the amount of the reimbursement, or collect the amount of the reimbursement from you as described in the [Payments Terms of Use](#). If we cannot get reimbursement from you, we may collect the outstanding sums using other collection mechanisms, including retaining collection agencies.

We may suspend the [eBay Money Back Guarantee](#) in whole or in part without notice if we suspect abuse or interference with the proper working of the policy. You agree to make us whole for any losses, including expenses we incur to recoup such losses, arising out of your abuse of the eBay Money Back Guarantee, or any fraud you commit in connection with the eBay Money Back Guarantee.

Recommendations

eBay may offer personalized recommendations to you to provide a relevant and engaging experience, helping you sell or buy items of interest to you. These recommendations may consider data related to your eBay activity, the item, and seasonality, among other factors.

15. Payment Services

Payments for goods and services sold using our Services are facilitated by designated eBay entities (each, an "eBay Payment Entity") pursuant to the [Payments Terms of Use](#). You agree to the [Payments Terms of Use](#) to the extent applicable to you. To receive

payment for an item sold using our Services, you must accept and comply with the [Payments Terms of Use](#), including the requirements to provide to eBay Payment Entities information about you, your business, and the financial account you will use to receive payments.

If you are a buyer:

- You may pay for items and services using the payment methods that the eBay Payment Entities make available, and the eBay Payment Entities will manage settlement of the payment to sellers. The eBay Payment Entities will collect the transaction amount on behalf of the seller by charging your selected payment method. Accordingly, payments received by the eBay Payment Entity from you will satisfy your obligations to pay the seller in the amount of payments received;
- In certain instances, your transaction may be declined, frozen, or held for any reason including for suspected fraud, Anti-Money Laundering ("AML") compliance, compliance with economic or trade sanctions, in connection with eBay's internal risk controls or due to potential violations of any policy of eBay or the eBay Payment Entity, or a policy of one of the Payment Entity's third-party payment services providers;
- eBay, the eBay Payment Entity or its affiliates may save payment information, such as credit card or debit card numbers, and card expiration dates, entered by you on our Services when you make a purchase, redeem a coupon, or make any other transaction on our Services where card information is entered. Such stored payment information may be used as your default payment method for future transactions on our Services. At any time, you can update your card information or enter new card information, at which point the new card information shall be stored as your default payment method. You may make changes to your default payment method through the payment section in My eBay. You are responsible for maintaining the accuracy of information we have on file, and you consent to eBay updating such stored information from time to time based on information provided by you, your bank or other payments services providers. You will only provide information

- about payment methods that you are authorized to use. By placing a payment method on file with us, you authorize eBay Payment Entities to charge your payment method(s) for any and all amounts arising from your use of our Services, including charges to recover the proceeds of any fraud perpetrated by you, or charges necessary to recoup amounts refunded to you in error;
- You may seek [returns or cancellations](#) on our Services, or file [eBay Money Back Guarantee](#) claims on our Services. If you are entitled to a refund, the eBay Payment Entities will issue the refund if the eBay Payment Entities processed the original payment. Refund timing may vary in accordance with the rules of third parties, such as credit and debit card networks;
 - You agree to comply with, and not cause a third party to violate, all applicable laws, regulations, rules and terms and conditions in connection with the use of the services provided by the eBay Payment Entities. You understand that some third parties, such as credit and debit card issuers, credit and debit card networks and payments services providers, may have their own terms and conditions for the payment or settlement methods you choose to use in connection with managed payments transactions. Failure to abide by third-party terms and conditions may result in fees assessed to you (for example, currency conversion fees from your credit card issuer if the transaction currency is different from your credit card currency) or other actions taken by such third parties, and you agree that the eBay Payment Entity has no control over, or responsibility or liability for, such fees or actions.

16. Disclaimer of Warranties; Limitation of Liability

We try to keep our Services safe, secure, and functioning properly, but we cannot guarantee the continuous operation of or access to our Services. Bid update and other notification functionality in eBay's applications may not occur in real time. Such functionality is subject to delays beyond eBay's control.

YOU AGREE THAT YOU ARE MAKING USE OF OUR SERVICES AT YOUR OWN RISK, AND THAT THEY ARE BEING PROVIDED TO YOU ON AN "AS IS" AND "AS AVAILABLE" BASIS. ACCORDINGLY, TO THE EXTENT PERMITTED BY APPLICABLE

LAW, WE EXCLUDE ALL EXPRESS OR IMPLIED WARRANTIES, TERMS AND CONDITIONS INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

IN ADDITION, TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL EBAY (INCLUDING OUR PARENT, SUBSIDIARIES, AND AFFILIATES, AND OUR AND THEIR OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES) BE LIABLE TO YOU OR ANY THIRD PARTY UNDER ANY CLAIM AT LAW OR IN EQUITY FOR ANY CONSEQUENTIAL DAMAGES OR LOSSES (INCLUDING, BUT NOT LIMITED TO, LOSS OF MONEY, GOODWILL OR REPUTATION, PROFITS, OTHER INTANGIBLE LOSSES, OR ANY SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES), AND ALL SUCH DAMAGES OR LOSSES ARE EXPRESSLY EXCLUDED BY THIS USER AGREEMENT WHETHER OR NOT THEY WERE FORESEEABLE OR EBAY WAS ADVISED OF SUCH DAMAGES OR LOSSES. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, WE (INCLUDING OUR PARENT, SUBSIDIARIES, AND AFFILIATES, AND OUR AND THEIR OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES) ARE NOT LIABLE, AND YOU AGREE NOT TO HOLD US RESPONSIBLE, FOR ANY DAMAGES OR LOSSES (INCLUDING, BUT NOT LIMITED TO, LOSS OF MONEY, GOODWILL OR REPUTATION, PROFITS, OTHER INTANGIBLE LOSSES, OR ANY SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES) RESULTING DIRECTLY OR INDIRECTLY FROM:

- the content you provide (directly or indirectly) using our Services;
- your use of or your inability to use our Services;
- pricing, shipping, format, or other guidance provided by eBay;
- delays or disruptions in our Services;
- viruses or other malicious software obtained by accessing or linking to our Services;
- glitches, bugs, errors, or inaccuracies of any kind in our Services;
- damage to your hardware device from the use of any eBay Service;
- the content, actions, or inactions of third parties, including items listed using our Services or the destruction of allegedly fake items;
- a suspension or other action taken with respect to your account or breach of the Using eBay section above;

- the duration or manner in which your listings appear in search results as set out in the Listing Conditions section above; or
- your need to modify practices, content, or behavior, or your loss of or inability to do business, as a result of changes to this User Agreement or our policies.

Some jurisdictions do not allow the disclaimer of warranties or exclusion of damages, so such disclaimers and exclusions may not apply to you.

Regardless of the previous paragraphs, if we are found to be liable, our liability to you or to any third party is limited to the greatest of (a) any amounts due under the eBay Money Back Guarantee up to the price the item sold for on eBay (including any applicable sales tax) plus its original shipping costs, (b) the amount of fees in dispute, not to exceed the total fees you paid to us in the 12 months prior to the action giving rise to the liability, or (c) \$100.

17. Release

If you have a dispute with one or more users, you release us (and our affiliates and subsidiaries, and our and their respective officers, directors, employees, and agents) from claims, demands, and damages (actual and consequential) of every kind and nature, known and unknown, arising out of or in any way connected with such disputes. **In entering into this release, you expressly waive any protections (whether statutory or otherwise) that would otherwise limit the coverage of this release to include only those claims which you may know or suspect to exist in your favor at the time of agreeing to this release.**

18. Indemnity

You will indemnify and hold us (including our affiliates and subsidiaries, as well as our and their respective officers, directors, employees, and agents) harmless from any claim or demand, including reasonable legal fees, made by any third party due to or arising out of your breach of this User Agreement, your improper use of our Services or your breach of any law or the rights of a third party.

19. Legal Disputes

PLEASE READ THIS SECTION CAREFULLY. IT AFFECTS YOUR RIGHTS AND WILL HAVE A SUBSTANTIAL IMPACT ON HOW CLAIMS YOU AND EBAY HAVE AGAINST EACH OTHER ARE RESOLVED.

In this Legal Disputes section, the term "related third parties" includes your and eBay's respective affiliates, subsidiaries, parent companies, predecessors, successors, assigns, as well as your, eBay's, and these entities' respective employees and agents.

You and eBay each agree that any and all claims or disputes at law or equity that has arisen, or may arise, between you and eBay (or any related third parties) that relate in any way to or arise out of this or previous versions of this User Agreement, your use of or access to the Services, the actions of eBay or its agents, or any products or services sold, offered, or purchased through the Services, will be resolved in accordance with the provisions set forth in this Legal Disputes section.

A. Applicable Law

You and eBay agree that, except to the extent inconsistent with or preempted by federal law, the laws of the State of Utah, without regard to principles of conflict of laws, will govern this User Agreement and any claim or dispute that has arisen or may arise between you and eBay, except as otherwise stated in this User Agreement.

B. Agreement to Arbitrate

You and eBay each agree that any and all disputes or claims between you and eBay (or any related third parties) that arise out of or relate in any way to this or previous versions of the User Agreement, your use of or access to our Services, the actions of eBay or its agents, or any products or services sold, offered, or purchased through our Services, including the scope or applicability of this Agreement to Arbitrate (each, a "Dispute") shall be resolved exclusively through final and binding arbitration, rather than in court. The exceptions to this Agreement to Arbitrate are: (1) you or eBay may seek relief in small claims court if such claims qualify and remain in small claims court; and (2) you or eBay may seek equitable relief in court for infringement or other misuse of intellectual property rights (such as trademarks, trade dress, domain names, trade secrets, copyrights, and patents). For purposes of this Agreement to Arbitrate, "Dispute" will also include disputes that arose or involve facts occurring before the existence of this or any prior versions of the User

Agreement as well as claims that may arise after the termination of this User Agreement, unless those disputes were noticed prior to this User Agreement.

1. Informal Dispute Resolution

If a Dispute arises between you and eBay, eBay is committed to working with you to reach a prompt, low-cost and mutually reasonable resolution. You and eBay agree to participate in good faith informal efforts to resolve Disputes before starting an arbitration or initiating an action in small claims court ("**Informal Dispute Resolution**"). To initiate Informal Dispute Resolution, a party must give notice to the other party in writing in a valid Notice of Dispute ("Notice"), which may be downloaded at [this link](#). Such Notice to eBay should be sent by email to DisputeNotice@eBay.com or regular mail to our offices located at 583 W. eBay Way, Draper, UT 84020. eBay will send any Notice to you to the physical address we have on file associated with your eBay account; it is your responsibility to keep your physical address up to date. To be valid, you must personally sign the Notice and complete all information on the Notice form, including a description of the claims you are asserting, the specific relief sought, and the user name, email address and phone number associated with your account.

The Informal Dispute Resolution process lasts 45 days and is a mandatory precondition to commencing arbitration. The statute of limitations and any filing deadlines shall be tolled while the parties engage in Informal Dispute Resolution.

2. Waiver of Jury Trial

YOU AND EBAY HEREBY WAIVE ANY CONSTITUTIONAL AND STATUTORY RIGHTS TO SUE IN COURT AND HAVE A TRIAL IN FRONT OF A JUDGE OR A JURY. You and eBay are instead electing that all Disputes shall be resolved by arbitration under this Agreement to Arbitrate, except as specified in Section 19.B ("Agreement to Arbitrate").

3. Waiver of Class and Representative Actions and Non-Individualized Relief

EACH OF US MAY BRING CLAIMS AGAINST THE OTHER ONLY ON AN

INDIVIDUAL BASIS AND NOT ON A CLASS, REPRESENTATIVE, OR COLLECTIVE BASIS, AND THE PARTIES HEREBY WAIVE ALL RIGHTS TO HAVE ANY DISPUTE BE BROUGHT, HEARD, ADMINISTERED, RESOLVED, OR ARBITRATED ON A CLASS, COLLECTIVE, OR REPRESENTATIVE BASIS. ONLY INDIVIDUAL RELIEF IS AVAILABLE.

Subject to this Agreement to Arbitrate, the arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by the party's individual claim. Nothing in this paragraph is intended to, nor shall it, affect the terms and conditions under Section 19.B.7 ("Batch Arbitration").

Notwithstanding anything to the contrary in this Agreement to Arbitrate, if a final decision, not subject to any further appeal or recourse, determines that the limitations of this Section are invalid or unenforceable as to a particular claim or request for relief (such as a request for public injunctive relief), you and eBay agree that that particular claim or request for relief (and only that particular claim or request for relief) shall be severed from the arbitration and may be brought in court (pursuant to Section 19.C below), subject to your and eBay's right to appeal the court's decision. All other Disputes, aside from those explicitly exempted in Sections 19.B (above), shall be arbitrated. This section does not prevent you or eBay from participating in a class-wide settlement of claims.

4. Arbitration Procedures

Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, and court review of an arbitration award is very limited. However, an arbitrator can award the same damages and relief on an individualized basis that a court can award to an individual. An arbitrator will apply the terms of the User Agreement as a court would. The arbitrator shall have exclusive authority to resolve any Dispute, including, without limitation, disputes regarding the interpretation or application of the Agreement to Arbitrate, including the enforceability, revocability, scope, or validity of the Agreement to Arbitrate or any portion of the Agreement to

Arbitrate, except that all Disputes regarding Section 19.B.3 ("Waiver of Class and Other Non-Individualized Relief") including any claim that all or part of that Section is unenforceable, illegal, void or voidable, or that such Section has been breached, shall be decided by a court of competent jurisdiction and not by an arbitrator.

The award of the arbitrator is final and binding upon you and us. Unsatisfied judgments on the arbitration award may be entered in any court having jurisdiction. This User Agreement evidences a transaction involving interstate commerce; and notwithstanding any other provision herein with respect to the applicable substantive law, the Federal Arbitration Act, 9 U.S.C. § 1 et seq., will govern the interpretation and enforcement of this Agreement to Arbitrate and any arbitration, including the procedures governing Batch Arbitration. If Informal Dispute Resolution does not resolve satisfactorily within 45 days after receipt of a Notice, you and eBay agree that either party shall have the right to finally resolve the Dispute through binding arbitration. The arbitration will be administered by National Arbitration & Mediation ("**NAM**") in accordance with the NAM Comprehensive Dispute Resolution Rules and Procedure (the "**NAM Comprehensive Rules**") in effect at the time of arbitration, except as supplemented, where applicable, by the NAM Supplemental Rules for Mass Arbitration Filings (the "**NAM Mass Filing Rules**"; together with the NAM Comprehensive Rules, the "**NAM Rules**"), and as modified by this Agreement to Arbitrate. The NAM Rules are currently available at <https://www.namadr.com/resources/rules-fees-forms/>. If NAM is unavailable to administer the arbitration, another administrator will be selected by the parties or, if the parties cannot reach agreement, the court (pursuant to Section 19.C below) shall select the administrator.

A party who wishes to initiate arbitration must provide the other party with a demand for arbitration (the "**Demand**"). A Demand to eBay should be sent by mail to eBay Inc., Attn: Litigation Department, 583 W. eBay Way, Draper, UT 84020. If eBay initiates an arbitration against you, it will send a Demand to the physical address we have on file associated with your eBay account; it is your

responsibility to keep your physical address up to date. A Demand form is available on NAM's site at

<https://www.namadr.com/content/uploads/2024/09/Revised-Comprehensive-Demand-for-Arb-9.17.24.pdf>. The Demand must include: (1) the name,

telephone number, mailing address, e-mail address, and eBay user name of the party seeking arbitration, including a statement whether the party is a U.S. resident; (2) a statement of the legal claims being asserted and the factual bases for those claims; (3) a description of the remedy sought and an accurate, good-faith calculation of the amount in controversy; (4) a statement certifying completion of the Informal Dispute Resolution process as described above; and (5) a statement certifying that the requesting party will pay any necessary filing fees in connection with such arbitration. If the party requesting arbitration is represented by counsel, the Demand shall also include counsel's name, telephone number, mailing address, and email address. Such counsel must also sign the Demand.

If you are a U.S. resident, and unless you and eBay otherwise agree, the arbitration, including any in-person arbitration hearing, will be conducted in the county where you reside or, in the case of Batch Arbitration, as determined by the arbitrator. If you are not a resident of the United States, then the arbitration, including any in-person arbitration hearing, will be held in Salt Lake County, Utah, United States, or another mutually agreed location. Subject to the NAM Rules, the arbitrator may direct a limited and reasonable exchange of information between the parties, consistent with the expedited nature of the arbitration. You and eBay agree that all materials and documents exchanged during the arbitration proceedings shall be kept confidential and shall not be shared with anyone except the parties' attorneys, accountants, or business advisors, and shall be subject to the condition that they agree to keep all materials and documents exchanged during the arbitration proceedings confidential. You and eBay agree that at least 14 days before the date set for an arbitration hearing, any party may serve an offer in writing upon the other party to allow judgment on specified terms. If the offer

made by one party is not accepted by the other party, and the other party fails to obtain a more favorable award, the other party shall not recover any post-offer costs to which they otherwise would be entitled and shall pay the offering party's costs from the time of the offer.

The parties agree that the arbitrator will decide the substance of all claims in accordance with applicable law, including recognized principles of equity, and will honor all claims of privilege recognized by law. The parties agree that the arbitrator shall not be bound by rulings in prior arbitrations involving different users but shall be bound by rulings in prior arbitrations involving the same eBay user to the extent required by applicable law. The arbitrator's award shall be final and binding, and an unsatisfied judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

5. Arbitrator

The arbitrator will be either a retired judge or an attorney and will be selected by the parties from the NAM's roster of consumer dispute arbitrators, provided that if the Batch Arbitration process is triggered, NAM will appoint the arbitrator for each batch without soliciting input or feedback from any party. If the parties are unable to agree upon an arbitrator within 35 days of delivery of the Demand, then NAM will appoint the arbitrator in accordance with the NAM Rules.

6. Fees and Costs

Payment of all filing, administration, and arbitrator fees will be governed by the applicable NAM fee schedules (the "**Fee Schedules**"), but may be reapportioned between the parties in accordance with this Agreement to Arbitrate, as follows: if you complied with the Informal Dispute Resolution requirements in Section 1 of this Agreement and the value of the relief sought in the Dispute is \$10,000 or less, at your request eBay will pay all filing, administration, and arbitrator fees associated with the arbitration. The parties shall bear their own attorneys' fees and costs in arbitration unless the arbitrator finds that either the substance of the Dispute or the relief sought in the Demand was frivolous or was brought for an improper purpose (as

measured by the standards set forth in Federal Rule of Civil Procedure 11(b)). To the extent, following a presentation on the merits, on its own motion or a party's, and after affording a reasonable opportunity to respond, an arbitrator determines that a party who commenced arbitration did not bring its claim(s) consistent with counsel's Certification and the standards set forth in Federal Rule of Civil Procedure 11(b), the arbitrator may, as part of its award, impose sanctions by ordering that the initiating party reimburse the responding party for all arbitration costs and arbitrators' fees the responding party incurred under the Fee Schedule.

7. Batch Arbitration

To increase the efficiency of administration and resolution of arbitrations, you and eBay agree that in the event that there are 25 or more individual Demands of a substantially similar nature filed against eBay by or with the assistance of the same law firm, group of law firms, or organizations ("**Claimant's Counsel**"), within a reasonably proximate period of time, for example, a 90 day period, NAM shall (1) administer the arbitration demands in batches of 100 Demands per batch (or, if between 25 and 99 individual Demands are filed, a single batch of all those Demands, and, to the extent there are less than 100 Demands remaining after the batching described above, a final batch consisting of the remaining Demands); (2) appoint one arbitrator for each batch; and (3) provide for the resolution of each batch on a consolidated basis with one set of filing and administrative fees due per batch, one procedural calendar, one hearing (if any) in a place to be selected by Claimant's Counsel or, if Claimant's Counsel does not have a preference, by the arbitrator, and one final award, which will provide for any and all relief to which the arbitrator determines each individual party is entitled ("**Batch Arbitration**"). NAM shall administer all batches concurrently, to the extent possible.

All parties agree that Demands are of a "substantially similar nature" if they arise out of or relate to the same event or factual scenario and raise the same or similar legal issue(s) and seek the same or similar relief. To the extent the

parties disagree on the application of the Batch Arbitration process, the disagreeing party shall advise NAM, and NAM shall appoint a sole standing Procedural Arbitrator or, should the circumstances so require, an Emergency Arbitrator, according to the NAM Rules, to determine the applicability of the Batch Arbitration process (the Procedural Arbitrator or Emergency Arbitrator, the "**Administrative Arbitrator**"). To expedite resolution of any such dispute by the Administrative Arbitrator, the parties agree the Administrative Arbitrator may set forth such procedures as are necessary to resolve any disputes promptly. The Administrative Arbitrator's fees shall be paid by eBay. You and eBay agree to cooperate in good faith with NAM to implement the Batch Arbitration process including the payment of single filing and administrative fees for batches of Demands, as well as any steps to minimize the time and costs of arbitration, which may include: (1) the appointment of a discovery special master to assist the arbitrator in the resolution of discovery disputes; and (2) the adoption of an expedited calendar of the arbitration proceedings. This Batch Arbitration provision shall in no way be interpreted as authorizing a class, collective and/or representative arbitration or action of any kind, except as expressly set forth in this provision, and nothing about the Batch Arbitration process will preclude any party from participating in any arbitration administered according to that process.

8. Severability

Except as provided in Section 19.B.3 ("Waiver of Class or Other Non-Individualized Relief"), if any part or parts of this Agreement to Arbitrate (other than Section 19.B.7 ("Batch Arbitration")) are found under the law to be invalid or unenforceable, then such specific part or parts shall be of no force and effect and shall be severed and the remainder of the Agreement to Arbitrate shall continue in full force and effect. However, if Section 19.B.7 ("Batch Arbitration") of this Agreement to Arbitrate is found under the law to be invalid or unenforceable then, in that case, the entire Agreement to Arbitrate shall be void, and the parties agree that all Disputes will be heard in the state or federal courts located in Salt Lake County, Utah as required in

Section 19.C. You further agree that any Dispute that you have with eBay as detailed in this Agreement to Arbitrate must be initiated within the applicable statute of limitation for that claim or controversy, or it will be forever time barred. Likewise, you agree that all applicable statutes of limitation will apply to such arbitration in the same manner as those statutes of limitation would apply in the applicable court of competent jurisdiction.

9. Opt-Out Procedure

YOU CAN CHOOSE TO OPT OUT OF THIS AGREEMENT TO ARBITRATE ("OPT OUT") BY MAILING US A WRITTEN OPT-OUT NOTICE ("OPT-OUT NOTICE"). THE OPT-OUT NOTICE MUST BE POSTMARKED NO LATER THAN THE EFFECTIVE DATE OF THE AMENDMENT OR 30 DAYS FROM THE DATE YOU FIRST ACCEPT THIS USER AGREEMENT. YOU MUST MAIL THE OPT-OUT NOTICE TO EBAY INC., ATTN: LITIGATION DEPARTMENT, RE: OPT-OUT NOTICE, 583 WEST EBAY WAY, DRAPER, UT 84020. For your convenience, we are providing an [Opt-Out Notice form](#).

You must complete, sign, and mail that to us to opt out of this Agreement to Arbitrate. You must sign the Opt-Out Notice for it to be effective. Any Opt-Out Notice will be effective only if you send it yourself, on an individual basis, and opt-out notices from any third party purporting to act on your behalf will have no effect on your or eBay's rights. This procedure is the only way you can opt out of this Agreement to Arbitrate.

Opting out of this Agreement to Arbitrate has no effect on any arbitration agreement(s) you may currently have with us, including any previous version of this Agreement to Arbitrate to which you agreed; all such prior arbitration agreements remain in effect unless superseded by this Agreement, and you cannot use this procedure to opt out of any previous version of this Agreement to Arbitrate. Neither you nor eBay waives any right to arbitration that may apply to any current or pending lawsuit, arbitration, or legal proceeding commenced prior to the effective date of this Agreement to Arbitrate. If you opt out of this Agreement to Arbitrate, all other parts of this User Agreement and its Legal Disputes section will continue to apply to you.

10. Future Amendments to the Agreement to Arbitrate

Notwithstanding any provision in the User Agreement to the contrary, you and we agree that if we make any amendment to this Agreement to Arbitrate (other than an amendment to any notice address or site link provided herein) in the future, that amendment shall not apply to any claim already filed in arbitration (or, where permitted, in court or small claims court) against eBay prior to the effective date of the amendment. The amendment shall apply to all other disputes or claims governed by the Agreement to Arbitrate that have arisen or may arise between you and eBay. We will notify you of material amendments to this Agreement to Arbitrate. We will provide you 30 days' notice by posting the amended terms on www.eBay.com. Additionally, we will notify you through the eBay Message Center and/or by email. If you do not agree to these amended terms, you may close your account within the 30-day period and you will not be bound by the amended terms. Your continued use of or access to our Services, including the acceptance of any products or services sold, offered, or purchased through our Services following the posting of changes to this Agreement to Arbitrate constitutes your acceptance of any such changes.

C. Judicial Forum for Legal Disputes

If the Agreement to Arbitrate above is found not to apply to you or to a particular claim, request for relief, or Dispute, either as a result of your decision to opt out of the Agreement to Arbitrate or as a result of a decision by the arbitrator or a court order, you agree that any claim or dispute between you and eBay will be resolved exclusively by a state or federal court located in Salt Lake County, Utah. You and eBay agree to submit exclusively to the personal jurisdiction of the courts located within Salt Lake County, Utah for the purpose of litigating all such claims, disputes, or matters.

20. General
